Lara

Take an instant of pure pleasure with Lara, tasting a delicious hot chocolate and other special beverages able to satisfy all the most demanding palates.

The compact dimensions of this elegant dispenser for cafes allow its positioning in locations of narrow dimensions.

The practical push buttons on the selection panel allow a rapid choice and handy use.

The two versions proposed both have two product canisters and the choice can be between the mains water supply connection or the autonomous water tank models. Available with one or two mixers, front door for cleaning and filling operations and an automatic product decoupler via chip card. The revolution of Ho.Re.Ca. passes by this small semi-automatic jewel.
